

CEDI (Ours)

We want to cross. What do you see walking down the side walk?

Parked vehicles along the side of the road until a crosswalk ahead.

Is there a walk sign controlling **that crosswalk**?"

Yes, I can see a walk sign that controls the crosswalk.

What color is the pedestrian crossing the road wearing?

I **cannot** answer that question because there is currently no pedestrian crossing the road.

Caption

Provide a detailed description of the image.

a bright, sunny urban street scene with two men conversing on a brick sidewalk ... bare trees, parked vehicles, pedestrians, and city buildings fill the midground and background... strong sunlight and sharp shadows create a casual, everyday atmosphere.

Single-turn Yes/No (POPE)

Is the bus stop next to the sidewalk?

Are there men?

Is the sidewalk a city sidewalk?

Yes / No
